

Party A:

Tata Surgical (Pvt.) Ltd. with SRN PK-MF-000013542 and located in Mughal Street, Muhammad Pura, Commissioner Road, 51310, Sialkot-Pakistan. (Hereinafter referred to as "COMPANY").

Party B:

CMC Medical Devices GmbH with CHRN CHRN-AR-20000950 and located in Rigmstrasse 3, 6300 Zug, Switzerland (Hereinafter referred to as "CMC").

1 Introduction:

This contractual agreement/mandate has been written in accordance with the applicable provisions defined in the Medical Devices Ordinance (MedDO) of 1 July 2020 (Status as of 1 Nov 2023) and in the In-vitro-Diagnostic Ordinance (IvDO) of 4 May 2022 (Status as of 1 Nov 2023) to specify the relationship between two parties mentioned above.

Both parties have agreed as follows regarding the handling of all products (hereinafter called "Products") manufactured by COMPANY and sold to Switzerland in accordance with the Medical Devices Ordinance (MedDO) and provisions of the Regulation (EU) 2017/745 on Medical Devices (MDR) and/or in accordance with the In-vitro-Diagnostic Ordinance (IvDO) and the provisions of the Regulation (EU) 2017/746 on In vitro Diagnostic (IVDR) referenced by this Ordinance.

2 Designation and acceptance of the mandate

2.1 COMPANY is a manufacturer of medical devices and/or in vitro diagnostic medical devices not established in Switzerland, such devices may only be placed on the Swiss market if the manufacturer designates a sole Authorised Representative for one specific generic device group in accordance with article 51 MedDO which refers to articles 11(1 and 2) and defined as in article 2(32) MDR or with article 44 IvDO which refers to articles 11(1 and 2) and 2(25) IVDR.

2.2 COMPANY hereby designates CMC as Authorised Representative, who accepts such designation, as an Authorised Representative for the Business Area and Products set out in Appendix C of this agreement, for placing products on the market. Only Products listed in Appendix C will be subject to the mandate of the Authorised Representative.

Agreement Expiration Date:
31st of January 2026

Fee: 2.200,00 CHF

2.3 The responsibility of both parties is as stated hereafter in this agreement in relation to the devices that it covers. Appendix A provides an overview of responsibilities. In event of a conflict, the provisions of this agreement shall take precedence over the responsibilities listed in Appendix A, since Appendix A is mainly attached for Company's convenience.

2.4 CMC does not act as an importer or distributor as defined in the MedDO/IvDO. Parties explicitly agree that CMC shall not undertake any tasks or responsibilities with respect to the Products listed in Appendix C that would make CMC qualify as an importer or distributor in the meaning of article 53 or 54 MedDO and article 46 or 47 IvDO.

3 Validity of the agreement

3.1 This agreement will enter into effect from (see 'Effective Date' date in Appendix C) provided that the agreement is signed by both parties, payment for the service is received and on the condition that COMPANY has made available to CMC a copy of the liability insurance required according to clause 8 of this agreement. The agreement remains effective until the "Agreement Expiration Date" stated underneath the header of this document.

3.2 Any changes to this agreement must be approved in writing by CMC and COMPANY by signing a new version of the agreement.

3.3 The service term for each Product starts from the moment the agreement enters into force, and remains effective until the termination of this agreement. Products that need to be added to the list in Appendix C after the moment the agreement entered into force, will be added by signing a new version of the agreement. The COMPANY warrants that the Products listed in Appendix C comprise generic device groups.

4 Termination of agreement

4.1 This agreement expires at the "Agreement Expiration Date" stated underneath the header of this document, unless terminated by either party with a prior written notification period of sixty (60) days. This agreement is subject to renewal by signing a new version of the agreement with the new agreed expiration date.

Agreement Expiration Date:
31st of January 2026

Fee: 2.200,00 CHF

- 4.2 Either party may terminate this agreement upon written notice in the event the other party is in material breach of any obligation under this agreement that is not cured within ten (10) working-days after the breaching party has been notified in writing of the breach and the other party's intent to terminate the agreement.
- 4.3 In the situation where COMPANY acts contrary to its obligations under the MedDO/IvDO, CMC is obligated to terminate this agreement in accordance with article 51(3) MedDO, which refers to article 11(3)(h) MDR or with article 44(3) IvDo which refers to article 11(3)(h) IVDR. Upon becoming aware of such a regulatory non-compliance, CMC will provide written notice to the COMPANY. COMPANY shall answer within three (3) working days and by either i) confirming that it is indeed acting contrary to its obligations under the MedDO/IvDO, or ii) explain why its acting is in accordance with MedDo/IvDO. When parties disagree on whether COMPANY acts contrary to its obligations under MedDo/IvDO, CMC is entitled to terminate the agreement immediately.
- 4.4 In the event that liability coverage required by COMPANY in accordance with clause 8 of this agreement, becomes invalid, terminated or is withdrawn and this insurance issue is not fixed within five (5) days, CMC may terminate the agreement forthwith without further notice.
4. Upon termination of this agreement:
- 4.5 COMPANY will not place on the market any products bearing the name and address of CMC on its labelling. To this end, COMPANY shall remove all references to CMC from packaging, products, labelling, instructions for use, declaration of conformity and any other marketing material where these details might appear.
- 4.6 In case of termination in accordance with paragraph 4.3. this agreement CMC will notify Swissmedic and COMPANY's Notified Body that CMC shall no longer act as the Authorised Representative of COMPANY.
- 4.7 In the event of a change of Authorised Representative, CMC will cooperate with the incoming Authorised Representative in accordance with article 51(4) MedDO which refers to article 12 MDR and with article 44(5) IvDO which refers to article 12 IVDR. The detailed arrangements for a change of Authorised Representative shall be clearly defined in an agreement between COMPANY, CMC, and the incoming Authorised Representative.

Agreement Expiration Date:
31st of January 2026

Fee: 2.200,00 CHF

5 Tasks to be performed by CMC on behalf of COMPANY

5.1 CMC shall comply with requirements imposed on "Authorised Representative" in article 51(3) MedDO, which refers to article 11 of the MDR and in article 44(3) IvDO which refers to article 11 of the IVDR and perform the following tasks:

i. Verify that the Declaration of Conformity and technical documentation have been drawn up and, where applicable, that an appropriate conformity assessment procedure has been carried out by COMPANY;

ii. Keep a copy of the technical documentation, the Declaration of Conformity and, if applicable, a copy of any relevant certificate, including any amendments and supplements, issued in accordance with article 56 MDR / article 51 IVDR, available for Swissmedic for a period of at least 10 years after the last device covered by the Declaration of Conformity has been placed on the Swiss market. In the case of implantable devices, the period shall be at least 15 years after the last device has been placed on the Swiss market;

iii. Comply with the registration obligations laid down in article 31 of the MDR and article 28 of IVDR and verify that COMPANY has complied with the registration obligations laid down in articles 27 and 29 MDR and articles 24 and 26 IVDR;

iv. In response to a request from Swissmedic, provide Swissmedic with all the information and documentation necessary to demonstrate the conformity of a device, in English or one of the official languages in Switzerland;

v. Forward to COMPANY any request by Swissmedic for samples, or access to a device and verify that Swissmedic receives the samples or is given access to the device;

vi. Cooperate with Swissmedic on any preventive or corrective action taken to eliminate or, if that is not possible, mitigate the risks posed by the devices;

vii. Immediately inform the COMPANY about complaints and reports from healthcare professionals, patients and users about suspected incidents related to a Product listed in Appendix C of this agreement;

Agreement Expiration Date:
31st of January 2026

Fee: 2.200,00 CHF

viii. Terminate this agreement if COMPANY acts contrary to its obligations under MedDO or IvDO.

- 5.2 By way of derogation from clause 5.1, for Products that are covered by the transitional regime of article 101(1) MedDO and 82(1) IvDO, the so-called 'legacy devices', not all provisions set out in article 5.1 apply. Generally, the requirements of the Medical Devices Ordinance of 17 October 2001 or Section 4a of MedDO in the version dated 26 November 2017 apply to these legacy devices. However, in line with article 101(2) and article 82(2) conformity with the MDR/IVDR article 11(3) (c) - (g) of the MDR is required, reflected under point 5.1(iii) - (vii) of this agreement. Additionally, article 11(7) MDR/IVDR applies to legacy devices. This means that for legacy devices, the elements described under 5.1(i) and (ii) do not form part of the mandate to CMC unless explicitly otherwise.
- 5.3 Except in cases of legacy devices mentioned in the previous paragraph, CMC shall provide copies of all correspondence related to the tasks described in paragraph 5.1 to the Person Responsible of Regulatory Compliance (PRRC), indicated by COMPANY in APPENDIX B. COMPANY must therefore have available within their organization at least one person responsible for regulatory compliance who possesses the requisite qualifications in the field of medical devices set out in article 52 MedDO and in article 45 IvDO.
- 5.4 Except in cases of legacy devices mentioned in the paragraph 5.2. of this agreement, CMC will have permanently and continuously available one person responsible for regulatory compliance (PRRC) who possesses the requisite expertise regarding the regulatory requirements for medical devices in Switzerland, indicated also in APPENDIX B.
- 5.5 CMC will allow the use of its name and address from the Effective Date on for the use with the draft Declaration of Conformity (DOC) and draft device label for the Notified Body conformity assessment application, if applicable. The use of the name of address of CMC will be allowed upon the COMPANY having complied with all applicable requirements in particular the registration obligations, ensuring permanent access to the Declaration of Conformity, technical documentation and, if applicable, a copy of the relevant certificate, and upon the positive outcome of the above verification activities that CMC is mandated to perform on the behalf of the Company which is confirmed.
- 5.6 Upon request of Swissmedic, CMC will provide it with a copy of this agreement.

Agreement Expiration Date:
31st of January 2026

Fee: 2.200,00 CHF

- 5.7 The communication between CMC and the COMPANY shall be in the English language. Communication or documentation in any other language may be refused by CMC or CMC may charge the COMPANY a reasonable market standard service fee for translation of documents.
- 6 Obligations of the COMPANY in regard to the Authorised Representative mandate
COMPANY shall enable CMC to perform the tasks described under clause 5 of this agreement. Since article 50 MedDo refers to the applicability of article 10 MDR and article 43 IvDO to the applicability of article 10 IVDR, references to the MDR and IVDR are included.
- 6.1 For clause 5.1(i) – (ii): the COMPANY agrees under article 50 MedDo, which refers to article 10(8) MDR and article 43 IvDO, which refers to article 10(7) IVDR to provide permanent access to an up-to-date version of the technical documentation to CMC as long as this agreement is in place, and ensures that provided information is true and accurate.
- The COMPANY agrees to only place devices on the Swiss Market after CMC has confirmed verification with the requirements of articles 51 and 52 MedDo and of articles 44 and 45 IvDO and after CMC has confirmed that it is able to keep the described documentation available.
- 6.2 COMPANY shall comply with all the requirements specified in Chapter 6, section 1 MedDo, and in Chapter 5, section 1 IvDO regarding general obligations of manufacturers. COMPANY warrants that the Products are in conformity with the provision of the MedDo/IvDO by affixing the MD marking or with the provision of the MDR/IVDR by affixing the CE marking and including them in CMC's mandate.
- 6.3 COMPANY shall affix CMC's name and registered address as COMPANY's Authorised Representative on the labels, instructions for use or any other place in accordance with the requirements of the MedDo/IvDO of the Products listed in Appendix C. The COMPANY shall ensure that the CMC address will only be used in accordance with the requirements of the MedDo/IvDO, and not for other purposes.
- 6.4 For clause 5.1 (iii): COMPANY is required under article 10(7) MDR / 10(6) IVDR to comply with the obligations relating to the UDI system referred to in article 27 MDR / 24 IVDR and with the registration obligations referred to in articles 29 and 31 MDR / 26 and 28 IVDR. COMPANY will inform CMC right after it has met these registration requirements. Only after CMC has confirmed to COMPANY that it has verified the registration, COMPANY is allowed to place its Products on the Swiss market.

Agreement Expiration Date:
31st of January 2026

Fee: 2.200,00 CHF

- 6.5 For clause 5.1 (iv): COMPANY is required under article 10(14) MDR / 10(13) IVDR to provide Swissmedic all the information and documentation necessary to demonstrate the conformity of the device, in English or one of the official languages of Switzerland.
- 6.6 For clause 5.1 (v): COMPANY is required under article 10(14) MDR / 10(13) IVDR to provide to Swissmedic samples of the device free of charge or, where that is not possible, provide access to the device in any other way.
- 6.7 For clause 5.1 (vi): COMPANY is required under article 10(14) MDR / 10(13) IVDR to cooperate with Swissmedic, at its request, on any corrective action taken to eliminate or, if that is not possible, mitigate the risks posed by devices which they have placed on the market or put into service. In this light, COMPANY will on its own turn cooperate with Swissmedic and additionally, support CMC in case assistance is requested by CMC.
- 6.8 For clause 5.1 (vii): COMPANY provides CMC confirmation of receipt immediately whenever it has received the complaints and reports from healthcare professionals, patients and users about suspected incidents that have been forwarded by CMC.
- 6.9 For clause 5.1 (viii): in case of termination of the agreement due to COMPANY acting contrary to its regulatory obligations under MedDo/IvDO, COMPANY agrees to accept the termination of the agreement. COMPANY agrees that CMC shall not be liable for contractual or extra-contractual damages resulting from termination of the agreement for this reason.
- 6.10 As referred to article 66 MedDo, according to article 87 MDR and to article 59 IvDO, according to article 82 IVDR COMPANY will supply CMC with the relevant information relating to: surveillance procedures, adverse incident notifications, safety corrective actions, devices registration, trend reports on incidents in Switzerland and abroad and any other information that allows CMC to cooperate with Market surveillance authorities.
- 6.11 COMPANY should keep, for all Products listed in Appendix C, the relevant documents in English for at least ten (10) years after the last device has been placed on the market, or in the case of implantable devices, fifteen (15) years the last device has been placed on the market in Switzerland in order to be provided to CMC for the purpose to be forwarded to or inspected by Swissmedic.

Agreement Expiration Date:
31st of January 2026

Fee: 2.200,00 CHF

6.12 COMPANY should provide CMC with the sales list of Products of last calendar quarter through email to CMC's PRRC before the 10th day of the following months: January, April, July and October. Such duty of the COMPANY will not be waived even though there are no sales in one trimester, therefore COMPANY will provide a declaration of no sales to CMC.

7 Additional tasks performed by CMC

Complaints/Incident Reports/Field Safety Corrective Actions/Trend Reports;
COMPANY will report serious incidents and Field Safety Corrective Actions (FSCA) involving his Products to Swissmedic via the national relevant system. CMC will provide assistance to COMPANY. The PRRC contact persons of each party will be used for communication in relation to such incidents or FSCA.

CMC shall keep a register of any received incidents/complaints/non-conforming products and provide COMPANY with any information upon their request.

Trend reports on incidents in Switzerland and abroad shall be submitted to Swissmedic via the national relevant system (without needing to be requested by Swissmedic). COMPANY will proactively inform CMC and cooperate to fulfill this requirement.

8 Liability

8.1 COMPANY will add CMC as an additional insured to its product liability insurance policy on behalf of CMC to cover CMC for potential exposure under this agreement in the proper fulfilment of the duties of CMC, except that the COMPANY need not insure and not protect CMC from liability that results from gross negligence of wrongful acts, omissions or unauthorized activities by CMC which are not performed in favor or objective interest of the COMPANY or results from a substantial breach of this agreement by CMC.

8.2 The COMPANY will provide this additional insured policy before signing this agreement and will continue to do so each subsequent year for the duration of this agreement. Provided that COMPANY fails to fulfil this obligation, COMPANY shall indemnify and hold CMC harmless from any damages, losses, and fines incurred to CMC derived from third parties claims.

Agreement Expiration Date:
31st of January 2026

Fee: 2.200,00 CHF

- 8.3 COMPANY's product liability insurance shall cover bodily injury, property damage and loss suffered by users, patients or others caused by a Product manufactured by COMPANY and sold in Switzerland. The insurance coverage will be proportionate to the risk class, type of device and the size of the COMPANY in accordance with article 10 (16) MDR / 10 (15) IVDR. The insurance shall be in place to provide sufficient financial coverage in respect to the COMPANY's potential liability under Directive 85/374/EEC, without prejudice to more protective measures under national law (article 10(16) MDR / 10 (15) IVDR). Proof of maintaining this insurance and proof that such insurance covers CMC and the Products listed in Appendix C for the Swiss market and meets the standards set out in article 10(16) MDR / 10(15) IVDR must be provided to CMC before the signature of this agreement. All insurance coverage provided to CMC shall be maintained by COMPANY for the duration of this agreement, including a run-off coverage to cover all Products manufacturer by COMPANY and sold in the Switzerland for the duration of the agreement and thereafter for as long as these Products bear the name and address of CMC.
- 8.4 Where the COMPANY conducts clinical investigations in Switzerland the COMPANY shall be responsible for obtaining and maintaining the insurance coverage prescribed by law.
- 8.5 The COMPANY shall indemnify, defend and hold CMC, its directors, officers, and employees free and harmless from all claims or liabilities for bodily injury, property damage infringement of third party's right concerning intellectual property (i.e. but not limited to copy right, patent right or competition right) arising or alleged to be arising out of the activities, services or other involvement of Company with respect to any sale or delivery of devices of the COMPANY and resulting from, caused by or alleged to be caused by such devices and shall bear all costs and expenses (excluding attorney's fees incurred by CMC before the assumption of defense by the COMPANY) of defending such claims if the cause of any such action had been a defect already existing or alleged to be existing under national binding law at the moment when the device left the control of the COMPANY. This commitment on the part of the COMPANY will be maintained upon conclusion/termination of this agreement and for as long as claims can still be raised against CMC due to activities performed by CMC in the fulfillment by CMC of the terms of this agreement.
- 9 Remuneration
- 9.1 The COMPANY agrees to remunerate CMC the amount stated underneath the header of this document (Fee:) for fulfilling its role as the designated sole Authorised Representative until the Agreement Expiration Date. The remuneration is due on the Effective Date as described in clause 3 of this agreement.

Agreement Expiration Date:
31st of January 2026

Fee: 2.200,00 CHF

- 9.2 Bank charges or transaction fees must be covered 100% by the COMPANY. The COMPANY will ensure that all payments are remitted in their totality to the beneficiary.
- 9.3 Both parties agree that the remuneration does not include fees and/or taxes imposed by Swiss authorities. CMC shall not be responsible for the delivery of the certificates or other documentation, samples or other things and all delivery charges shall be fully paid by the COMPANY.
- 9.4 Additional services including but not limited to free sales certificates, GMDN codes, adding new products to this agreements, technical file reviews, can be provided with separate charges, to be agreed between the parties.
- 9.5 The payment of each remuneration will be transferred within ten (10) business days upon receipt of each invoice.
- 9.6 Invoices will be sent in electronic format (PDF) and will reference a purchase order.
- 9.7 In case COMPANY terminates the agreement at any time no refund shall be made and COMPANY is not entitled to offset any payments due under this agreement against alleged claims. The full remuneration of the following year will be applicable in case the termination by COMPANY is given to CMC within the 60 days prior to the annual renewal date.
- 9.8 The COMPANY agrees to remunerate CMC at a rate of 350 (CHF) per hour, following the cancellation of this agreement solely for any activities which might occur during the transition period between CMC and its (potential) successor (transition period being that of the day the agreement ends and the final complaint stemming from the COMPANY's Products carrying the CMC address).
- 10 Disputes:
- 10.1 Goodwill is the basis of resolving any disputes between parties.

Agreement Expiration Date:
31st of January 2026

Fee: 2.200,00 CHF

10.2 If any dispute or claim between parties is brought before the court, each party consents to exclusive jurisdiction and venue in the Swiss Courts. The place of fulfilment and domicile is the domicile of CMC.

11 Confidentiality

11.1 COMPANY and CMC shall treat with confidentiality any information and document, in any form, disclosed in writing or orally, including the agreement itself.

11.2 Either party will not disclose, in whole or in part, any information to any third party and will not duplicate or publish in any media any documentation received except upon mutual written consent.

11.3 This article will survive the termination of this agreement.

12 Severability Clause

12.1 If any provision of this Agreement is held to be invalid or unenforceable under any applicable law or regulation, such provision shall be deemed modified to the extent necessary to make it valid and enforceable, and the remaining provisions of this Agreement shall remain in full force and effect.

12.2 The invalidity or unenforceability of any provision shall not affect the validity or enforceability of any other provision of this Agreement.

Agreement Expiration Date:
